

# Benefiting Oncology at the Nemours Center for Cancer and Blood Disorders

at Nemours/Alfred I. duPont Hospital for Children

## A Round for the Kids | 2020

Avid golfers from around the Delaware Valley will enjoy a great day on the greens in support of the Nemours Center for Cancer and Blood Disorders (NCCBD) at Nemours/Alfred I. duPont Hospital for Children. The 11th annual *A Round for the Kids* will take place at the picturesque DuPont Country Club in Wilmington, Del., on October 26, 2020. Participants will enjoy lunch and snacks on the course as well as a special gift.

Your support of A Round for the Kids will help raise critical funds for oncology research and patient services at the Nemours Center for Cancer and Blood Disorders (NCCBD) to help patients like Ryan.

Ryan, 15, started experiencing prolonged pain in his right leg while training for the basketball team. A biopsy confirmed osteosarcoma (a type of bone cancer) in his right femur. Ryan and his family also learned the cancer had spread to his lungs. Ryan receives chemotherapy, and his right leg was amputated above the knee. Ryan is committed to supporting other pediatric cancer patients by being Nemours' patient ambassador for this year's event.

We need community support to maintain the infrastructure and environment necessary to provide innovative therapy options for children with cancer, like Ryan.
